It's always the same time.
I return to the same place.

That day
a year ago.

It was a small resort
in the south that used to be
called "Heaven."

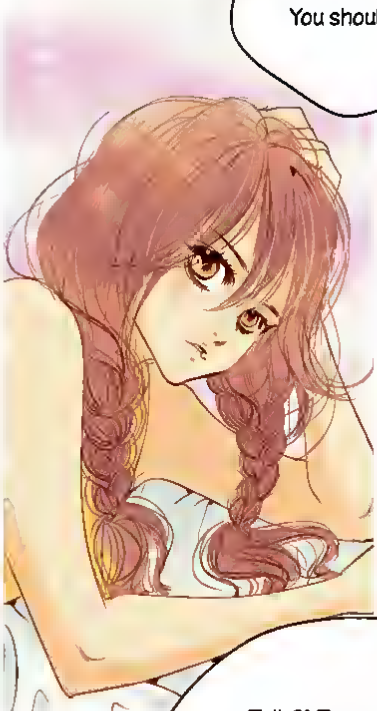
You should come
along... We're going to
stop by the islands with
the indigenous people.
Just the three of us
won't be as fun.

To a time when
I spoke with Mom...

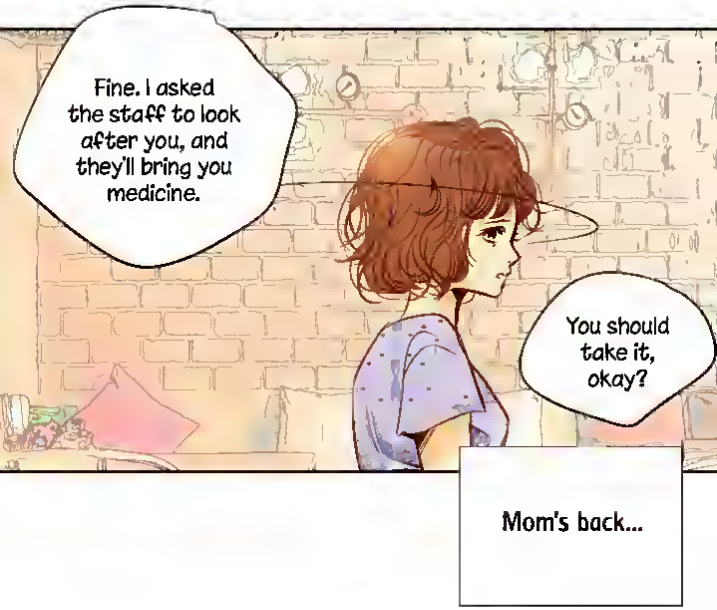
I ate too much last night, so my stomach hurts...

Ugh, I told you to not eat so much.

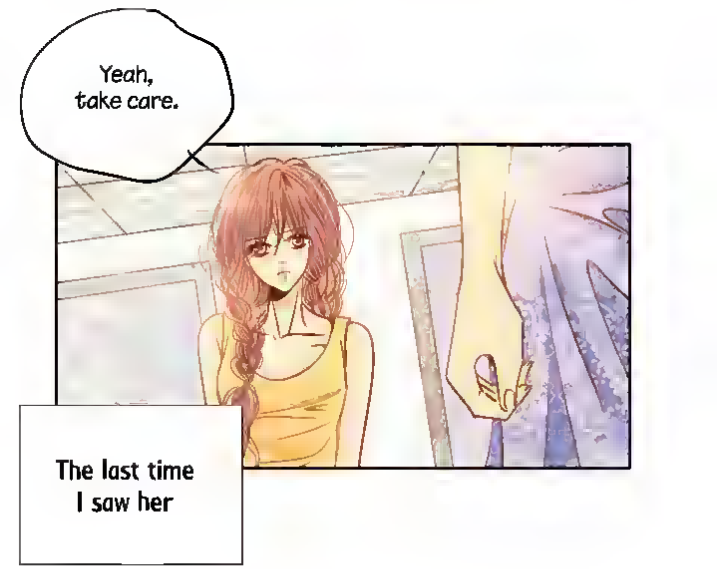
You're gonna be late for the boat. You should hurry.



Tell Gi Joon and him... No, my new father... that I'm sorry.



Fine. I asked the staff to look after you, and they'll bring you medicine.
You should take it, okay?
Mom's back...



Yeah, take care.
The last time I saw her

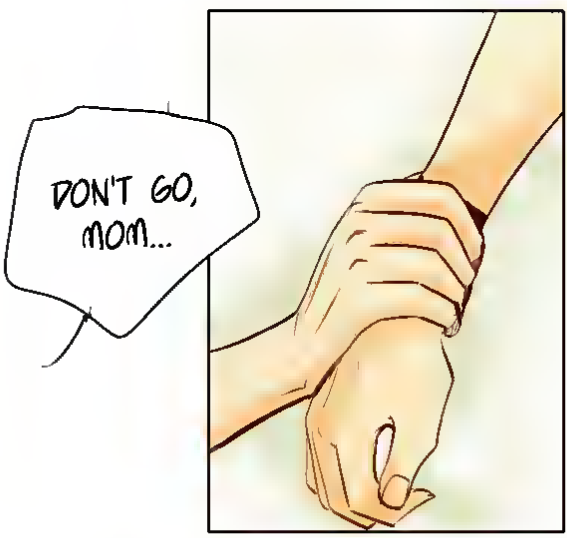
But maybe

If I could go back
to that time

If I went back...

If I grabbed her

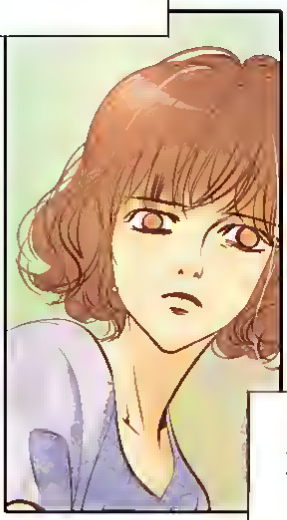
...?



DON'T GO, MOM...

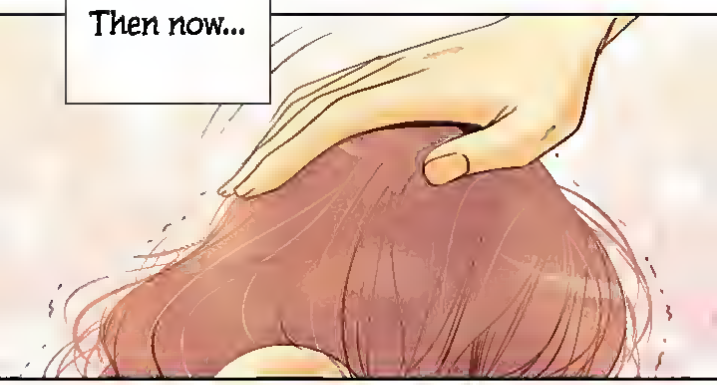
DON'T LEAVE ME ALONE...
PLEASE, DON'T GO, PLEASE...
DON'T GET ON THAT BOAT, MOM...

If I forced her to stop



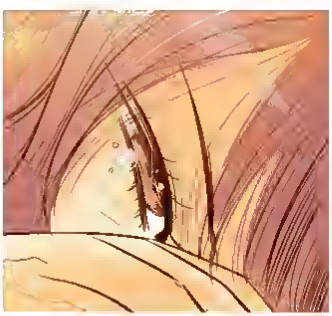
If I made her stop

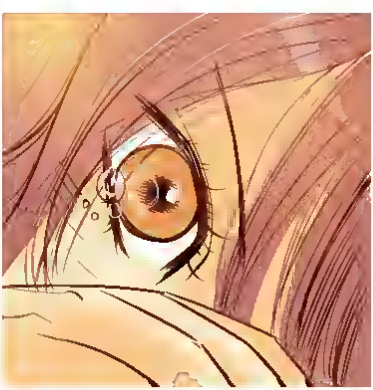
Then now...

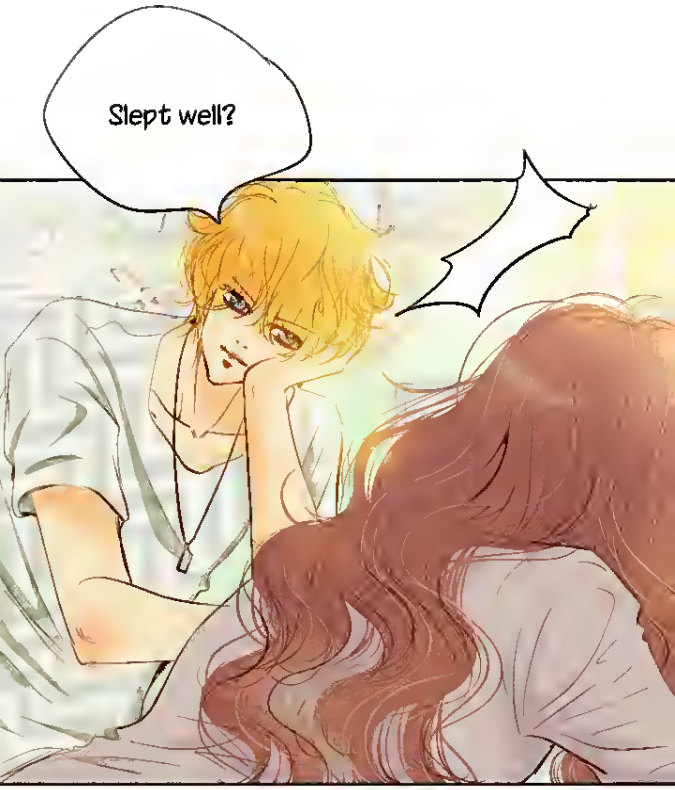


With the people
I loved,

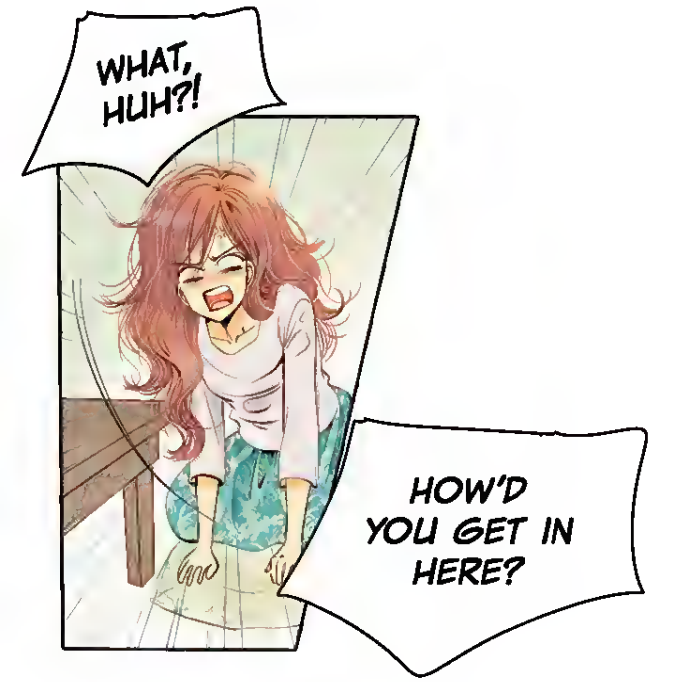
Would I be living a
normal life?



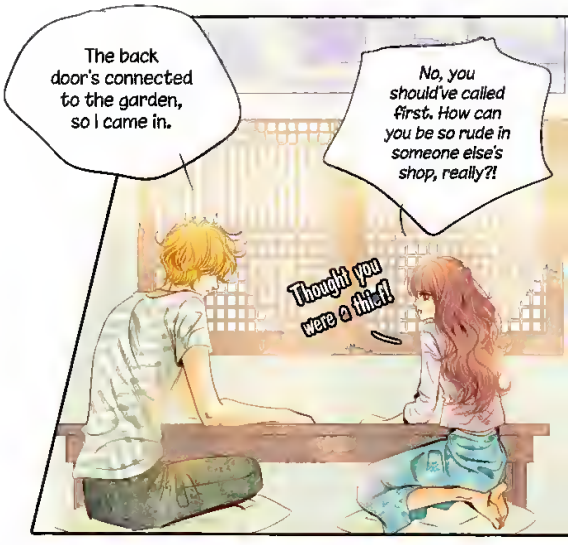




Slept well?



WHAT, HUH?!
HOW'D YOU GET IN HERE?



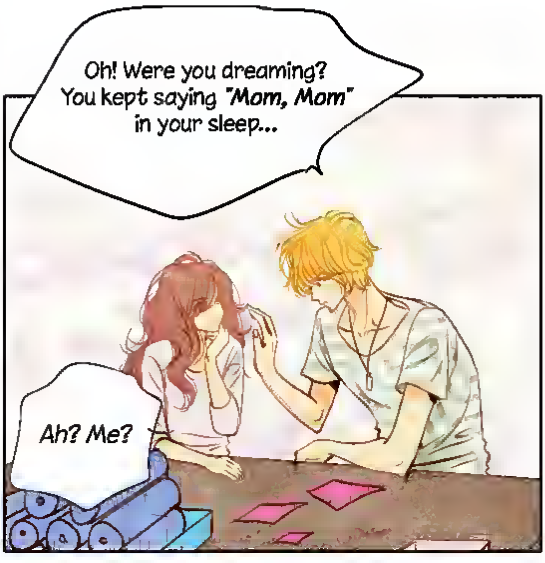
The back door's connected to the garden, so I came in.
No, you should've called first. How can you be so rude in someone else's shop, really?!
Thought you were a thief!

But, why did you leave yesterday? I sent the butler inside, but he told me that you were gone...

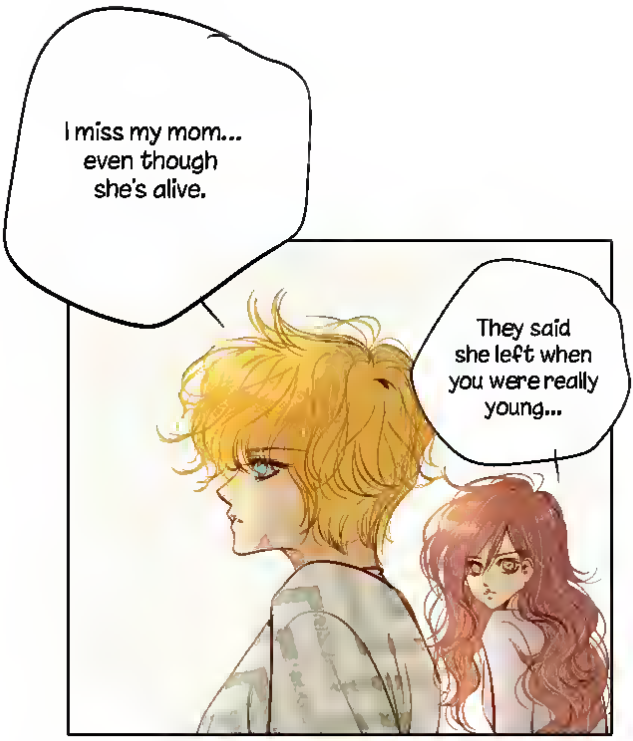
Ah... I suddenly remembered I had something to do.

Last night....

You're a stranger, so don't get involved!
I was ashamed of what I was doing, so I ran.



Oh! Were you dreaming? You kept saying "Mom, Mom" in your sleep...
Ah? Me?



I miss my mom... even though she's alive.
They said she left when you were really young...

Yes, and I saw her only one other time.

After my parents divorced, I visited my mother at her parent's house.

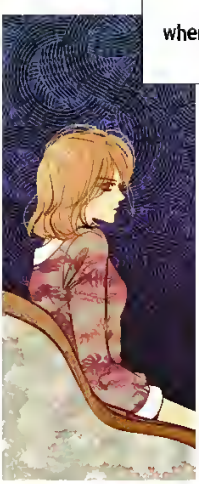
It was when I was 8.

Mother, tomorrow's your birthday? I brought a present and wrote a letter for you, too.

.....

What I can't forget is...

...her eyes, when she saw me...



They were really cold...

How about it, Allen

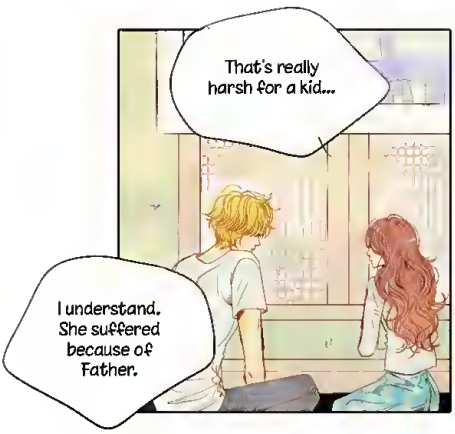
Do you like old women now, too?

MA-MADAM!

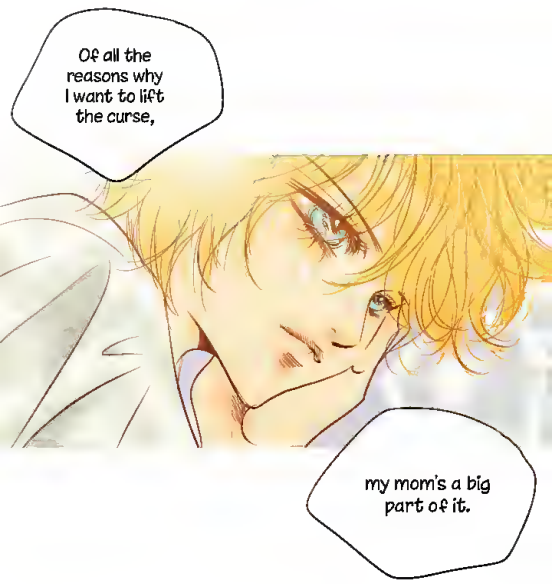
Right...

You have that filthy Montrose blood...

I'm busy. You should leave.
CLOSE
That was the last time I saw Mom

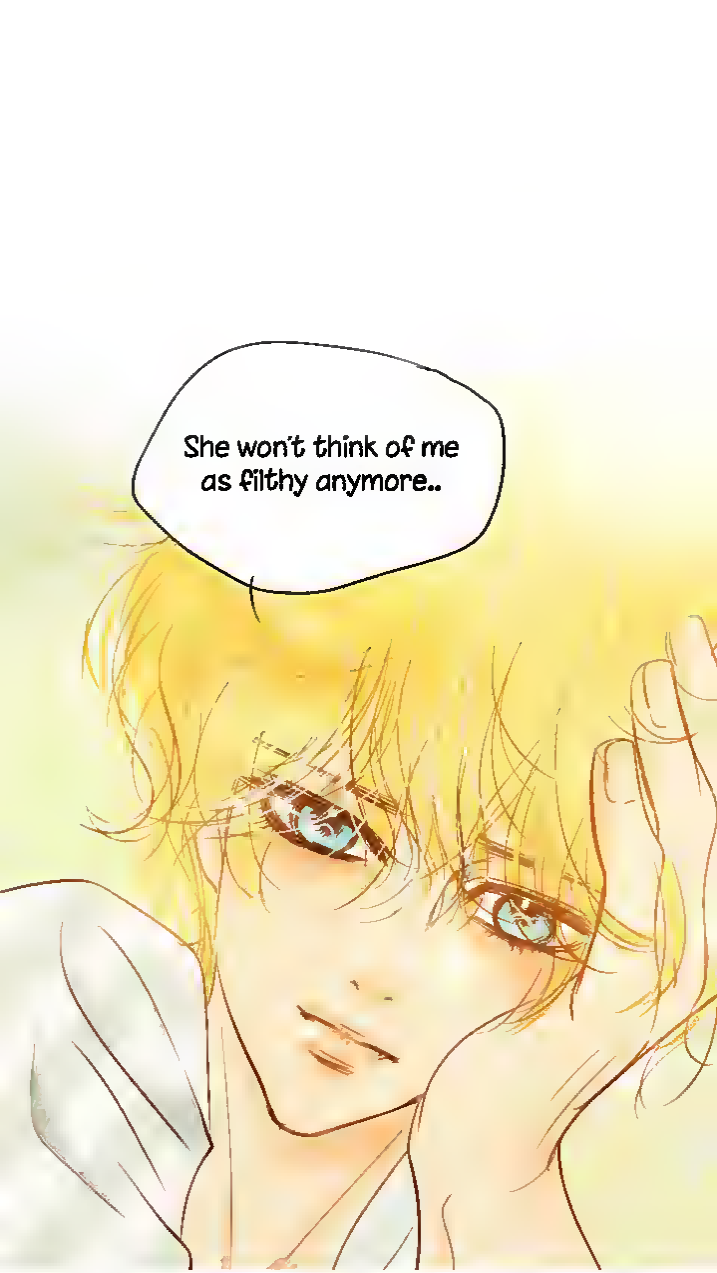


That's really harsh for a kid...
I understand. She suffered because of Father.

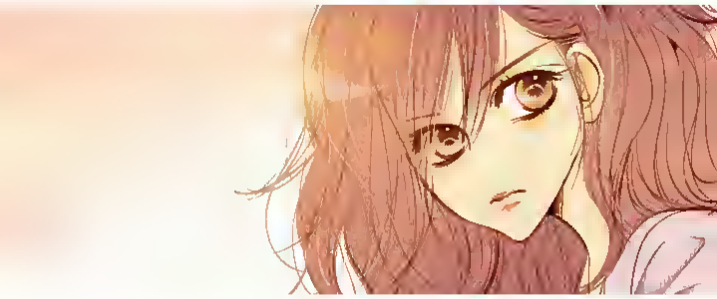


Of all the reasons why I want to lift the curse,
my mom's a big part of it.

If the curse is lifted, and I become normal
Mom won't...

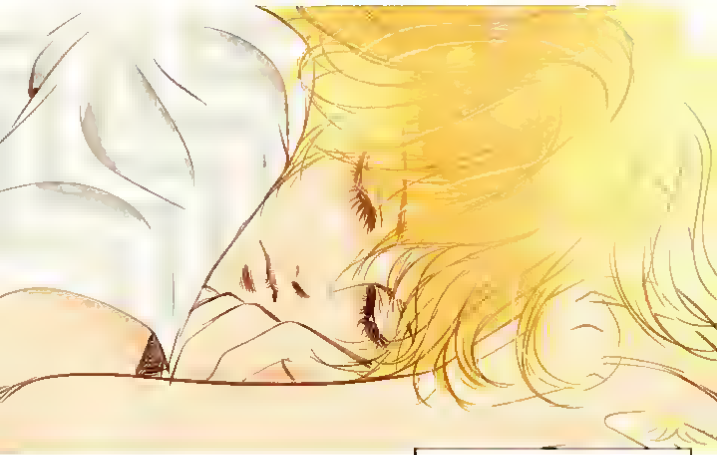


She won't think of me as filthy anymore..



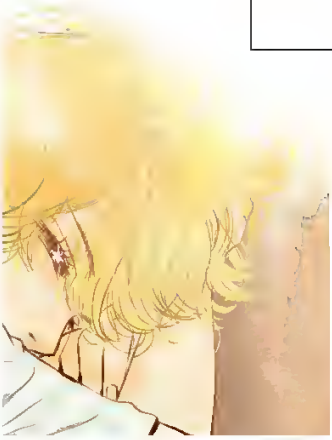
Some emotions...

...without reason or explanation...

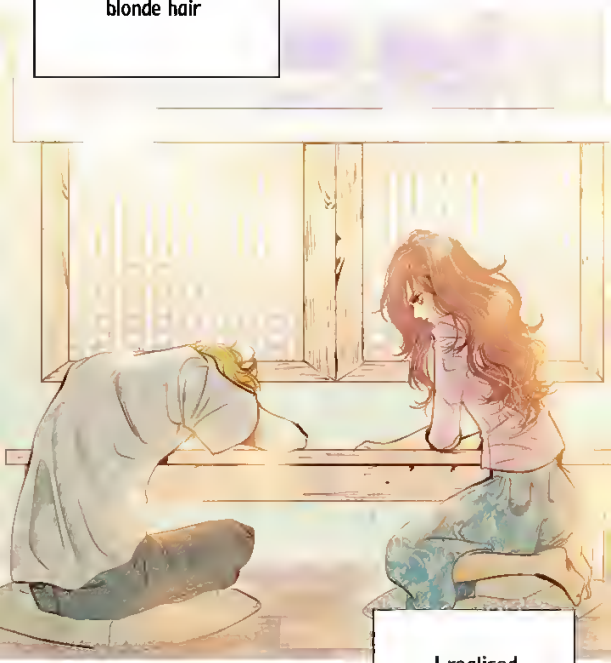


...begins with a very small, insignificant thing.

Just in that moment



with the sunlight falling across his blonde hair



I realised something

He looks like
Gi Joon

Midan!
Midan Gang!
Run, the bus is coming!

I took it out of your post box. People still do this nowadays?!
Does Jae Man still like you? Hahahaha
Ack!
Are you really doing this?! Give it to me now!

I knew my brother liked older women...

...but dating Midan's mom is...

We've been neighbors for 6 years. Why now, when they're so old?

If my brother
and your mom
marry

I'll be...
your uncle?

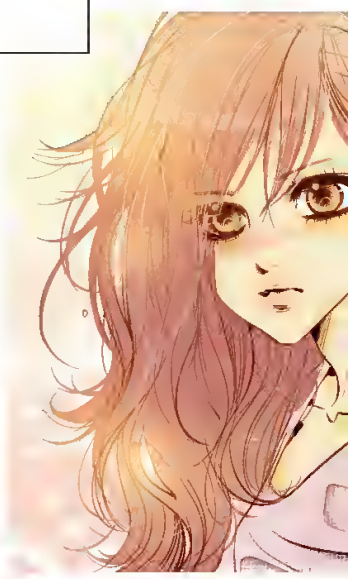
He looks like him

Like the way he smiles
when he's sad

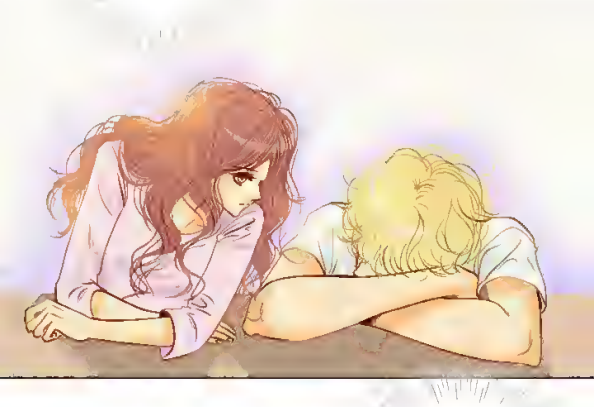
He has this strange curse and came to me. He's a man who's still a boy.

The person who cursed him is my ancestor

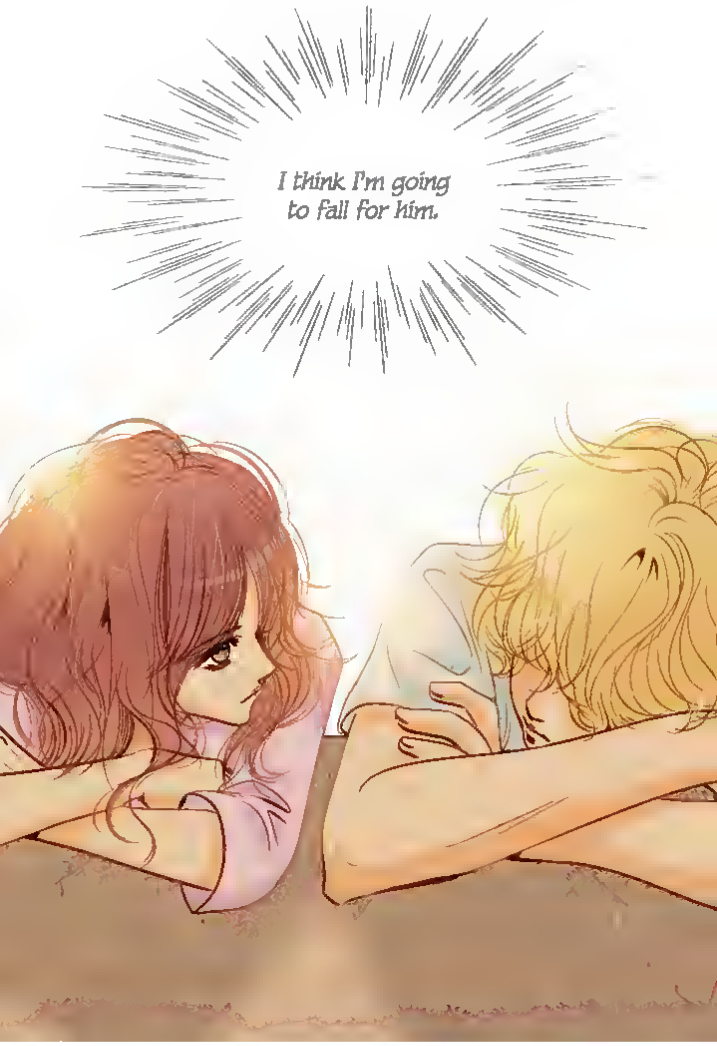
I don't know
where my feelings
will lead me now



Mom



I, somehow...



I think I'm going
to fall for him.
